

## The Enlightenment as Social Criticism: Iosipos Moisioudax and Greek Culture in the Eighteenth Century

Filesize: 2.33 MB

### ***Reviews***

*A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.*

Princeton University Press, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. In eighteenth-century Greek culture, Iosipos Moisioudax (c.1725-1800) was a controversial figure, whose daring pronouncements in favor of cultural change embroiled him in ideological conflicts and made him a target of persecution. The first intellectual in Southeastern Europe to voice the ideas of the Enlightenment in public and without qualification, he advocated the use of vernacular Greek in education and aspired to see the backward and intellectually conservative Balkan societies remodeled along European lines. In the first modern book-length treatment of this passionate reformer, Paschalis Kitromilides skillfully retraces Moisioudax s career and contrasts the Greek Enlightenment with the Western Enlightenment as a whole, enriching our understanding of each tradition in the process. Moisioudax s efforts failed tragically in his own lifetime, but his vision of the Enlightenment was an impressive project of intellectual reconstruction that had a considerable effect after his death, both in the promotion of modern scientific ideas and in the enunciation of republican politics in Southeastern Europe. The methodology of literary history has traditionally dominated inquiries about his life and about the Greek Enlightenment in general, but here both man and movement are examined from an interdisciplinary perspective. Drawing on a broad range of sources and combining insights from the social sciences, cultural history, and political theory, this work reveals Moisioudax as a figure of major significance in the ideological tradition of Southeastern Europe. Originally published in 1992. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These paperback editions preserve the original texts of these important books while presenting them in durable paperback editions. The goal of the Princeton Legacy Library is...
