Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.The books in this series prepare English-speaking people to learn to recognize and speak SPANISH WORDS faster. This is imperative since in order to learn a language, one must first learn its words. This book offers a new NATURAL approach to language learning that I developed based on my experience growing up in three countries where I had to learn to speak the language of the country fast. Several new and innovative concepts are used that focus on stimulating the mind, both the conscious and subconscious. These concepts assimilate natural environmental conditions in which our minds are exposed to learning language when we are children and/or adults in foreign lands. To make learning easier, we also take advantage of knowledge that the learner may already have by using words that are similar in both languages, called cognates. We also use most commonly used words for the obvious reasons but also because as the learner is prompted to use them more often they will develop self-confidence which is necessary to learning a new language. In addition, to stimulate the learner's mind, we have designed colorful super layered patterns that are highly artistically digitized. We believe that these excite the learner's mind and keep them interested which is a very important for keeping them motivated on learning. And when it comes to learning, we believe that the mind, and memory, can be stimulated through the use of the body. Thus, we encourage you, if you like, to write, draw, doodle or do what you like on or to the pages of the book. Use the medium that you want. The immersion in creativity, can help the learner learn...
