Brand New Book ***** Print on Demand *****.To the Readers of Aspire Awaken Actualize: I have been a trainer and mentor for corporates and individuals who are all on this journey of transformation. In sharing a life picture exercise, which is one of my tools for developing self-awareness, I realized everyone has something to teach about this journey of transformation. Every individual on this journey acquired skills, used tools and techniques that if shared can also help others on their journey. This book series is a toolbox where you can draw out various tools when you need them. The series will give practical tips, tools and techniques as applied by the individual authors on their own journey and also as they assist their clients to transform their lives. It is a collection of experiences from the various authors. When you read this series it will assist you in the key areas of your life that you may be looking to transform. This is the first book in the series. The series will...
