Reviews

These types of book is the greatest ebook readily available. I was able to comprehend every little thing using this published e pdf. I realized this pdf from my dad and i encouraged this publication to discover.

(Dr. Porter Mitchell)

LIBRARY MANAGEMENT: RECENT THOUGHTS AND DEVELOPMENT

Kaveri Book Service, New Delhi, India, 2011. Hardcover. Book Condition: New. Dust Jacket Condition: New. First Edition. The present work Library Management: Recent Thoughts and Development highlights on the recently developed change environment and tries to create the new vision in the field of library and information centre. This work contains 13 chapters which are all related to current topics on library management and services, such as, trends in library management; job satisfaction of library professionals; library and its working group; library profession and code of ethics; library and information services in e-library environment; open source software and its application; e-publications as helpful resources for researchers; developing skills of library professionals for using ICT; application of knowledge management; copy right; electronic recording technology, etc. All chapters have two elements of specified discussion: the theoretical implication and their application rudiments. The present work basically deals with recent thoughts and development of libraries; and would immense helpful for the practicing librarians and all those who are associated with the Library and Information Science Education as teachers, researchers and students.
