

## Clinical Manual of Eating Disorders

By Joel Yager, Pauline S. Powers

American Psychiatric Publishing. Paperback. Book Condition: new. BRAND NEW, Clinical Manual of Eating Disorders, Joel Yager, Pauline S. Powers, Clinical Manual of Eating Disorders provides sound therapeutic advice based on current research and clinical practice. It includes detailed discussions of various aspects of assessment and treatment, featuring up-to-date evidence- and consensus-based information. Ranging from the determination of initial treatment approaches to problems posed by unique groups of patients, it marks the first APPI volume specifically directed toward the clinical management of patients with eating disorders -- and the first book to focus squarely on what psychiatrists need to know about the clinical assessment and management of patients with anorexia nervosa, bulimia nervosa, binge eating disorders, and obesity. In these pages, preeminent psychiatric authorities on eating disorders offer practical advice, research results, and the fruits of clinical experience. In addition to thorough extended discussion and coverage of all assessment and treatment topics encompassed by the third edition of the American Psychiatric Association's "Practice Guideline for the Treatment of Patients with Eating Disorders," the book includes topics such as: night eating and related syndromes, obesity and weight management in relation to psychiatric medications, psychiatric aspects of bariatric surgery, and management of patients...
