RETARDED GIRL RAISED IN DOG PEN: AUTHORITIES SAY GIRL WITNESS TO MURDER

Sartoris Literary Group, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.A Spellbinding Murder Mystery That Offers a Sympathetic Look At the Struggles Faced By Individuals with Disabilities Baby is every adoptive parent s nightmare-blind, paralyzed from the waist down, unable to speak, and diagnosed with developmental and intellectual disabilities. For the first 10 years of her life she is raised outside in a dog pen by a cruel adoptive father, a Mississippi deputy sheriff who values his bird dogs more than his daughter. Retarded Girl Raised in Dog Pen is the story of Baby s abusive childhood and her placement in a Mississippi mental institution for individuals with severe intellectual disabilities after the brutal murder of her father and the arrest of her mother, and her desperate attempt to escape the institution. Once the mother is convicted of murder and sentenced to death, the story takes a bizarre twist as mental health professionals discover that Baby is capable of communication, despite being trapped inside a body that holds her prisoner. Demonstrating the type of rancid hate speech that individuals with intellectual disabilities are subjected to each day in the community, some individuals expressing comments about the book have used hateful language to denounce the use of the word retarded in the title. The publisher stands by that usage because it is representative of how the media and the public in general have bastardized the former diagnostic term of mental retardation and continue to apply it to individuals diagnosed with intellectual disabilities. The book clearly reflects that change and individuals who use the old term are corrected throughout the book. If course the question for this story is, how much does Baby know about her father s...
