VIDEO OVER WIRELESS

McGraw-Hill Education - Europe. Hardback. Book Condition: new. BRAND NEW, Video Over Wireless, Benny Bing, This practical volume offers expert guidance on delivering high-quality video communications over wireless networks. Wireless access has become the dominant medium for network connectivity due to the proliferation of smartphones and tablets. Because of the size and power limitations of these personal devices, as well as data caps imposed by cellular operators, there are significant constraints on the delivery of high-quality video content. This is the finest book i have got study right up until now. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.
