Beyond the obvious facial resemblances between President Obama and Pharaoh, Akhenaten that extends to Michelle Obama and Queen Tiye, Akhenatens mother, there are other parallels in philosophy, policy and conflict with traditional religious authorities. The religious resistance to their rule is based on traditional plutocratic and xenophobic convictions. President Obama who has been very generous toward the religious right is contrasted to Pharaoh Akhenaten, who removed the traditional religions state support, received comparable challenges to their rule. Akhenatens religious revolution was abbreviated by either death or a staged death whereby he would be resurrected as Moses. President Obama was elected by electoral and popular mandate but faces a recalcitrant majority in the House of Representatives intent on cutting social programs. Wealthy conservative billionaires fund the opposition to Obama while the religious right or so-called moral majority supplies most of the ground forces or activists. This examination looks into the possibility that cosmic consciousness of the dynastic ruler, and his wifemother is alive among the Obamas. The binary rules perspective and policies are untraditionally supportive of womens issues regarding love, beauty, grace, transparency and peace in contrast to opponents reliance on the patriarchy. The karmas herein that were not completed during the Akhenaten dynasty seem to be in the process of fulfillment if...
