Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.On the north-eastern shores of England there is a town called Monkshaven, containing at the present day about fifteen thousand inhabitants. There were, however, but half the number at the end of the last century, and it was at that period that the events narrated in the following pages occurred. Monkshaven was a name not unknown in the history of England, and traditions of its having been the landing-place of a throneless queen were current in the town. At that time there had been a fortified castle on the heights above it, the site of which was now occupied by a deserted manor-house; and at an even earlier date than the arrival of the queen and coeval with the most ancient remains of the castle, a great monastery had stood on those cliffs, overlooking the vast ocean that blended with the distant sky. Monkshaven itself was built by the side of the Dee, just where the river falls into the German Ocean. The principal street of the town ran parallel to the stream, and smaller lanes branched out...
