DeVorss Co ,U.S., United States, 2000. Paperback. Book Condition: New. 147 x 99 mm. Language: English . Brand New Book. Dorothy Jean Hulst, a free-lance writer, had as one of her favorite books *As A Man Thinketh*, by James Allen. In this short volume, Allen expressed his belief that an individual, through the power of positive thought, forms their character and consequent happiness. Hulst was inspired by the content of Allen s book but tired of the mental exercise required to substitute feminine equivalents for masculine terms. Using a pencil, she crossed out all masculine references, replacing them with feminine words. The result, *As A Woman Thinketh*, allows women to identify directly and personally with Allen s concepts.
