Paperback. Book Condition: New. Paperback. 197 pages. This is my first memoir and may be my last; only time will tell. I was born in Florala, Alabama. My mother and father divorced when I was 5. Music became a friend and I formed a band when I was 15. After graduation from Holmes County High School in Bonifay, Florida I enlisted in the United States Navy. My Honorable Discharge came and Hollywood, California called, then New York, Memphis, Nashville and back to Hollywood. Along the way I investigated the assassination of Martin Luther King Jr. in association with the US Governments HSCA - House Select Committee on Assassinations. Danger, intrigue and murder followed as I began to unravel the truth and connections between the killing of MLK, JFK and RFK. I wrote a little bit about my life and self-published it in this book. I hope you enjoy reading it. More: Playing poker with men in a rough and tumble southern juke joint is not the typical activity of a 10 year old boy but it was for Gary Revel. Danger, intrigue and murder followed as he entered the darkness of the investigation of the Martin Luther King Jr. assassination. He then started his journey that would eventually take him into Brushy Mountain Prison in Petros Tennessee to meet the convicted killer of Martin Luther King Jr. , James Earl Ray. From his humble birth; murder, intrigue, adventure, conspiracy and danger have followed Gary Revel. At the age of 10 years old his mother killed a friend in the bar she owned in Niceville Florida and was jailed in the Okaloosa County Jail for months until the...
