Reviews

Good e-book and useful one. It typically does not expense an excessive amount of. I am just delighted to tell you that this is basically the finest book we have read during my very own existence and could be the best ebook for actually.

TWO WORLDS, REAL AND MINE (HARDBACK)

Austin Macauley Publishers, United Kingdom, 2016. Hardback. Book Condition: New. 198 x 129 mm. Language: English . Brand New Book. The author makes no apologies for the graphic images used herein they are so you are left in no doubt of the contents dark, controversial emotive open and honest you are hit with a barrage of rhymes from the very first page he shoots from the hip and leaves no targets standing but he is also on a crusade to out governments and corporate entities that use and abuse Human beings for their own ends There is also a very moral thread that flows through these rhymes that follow the authors Buddhist philosophy it also lets you into his mind so you can share his personal issues and how he deals with them As long as it makes you think then he believes he has done his job.
