NONCONVENTIONAL MACHINING

Narosa Publishing House. Paperback. Book Condition: new. BRAND NEW, Nonconventional Machining, P. K. Mishra, The book provides insight into the use of some basic processes existing today in the domain of nonconventional manufacturing (machining). This enables one to understand the difficulties in manufacturing of many components, starting with a hypodermic-needle tip to a complicated die shape and then to a sophisticated micro-miniaturised electronics. Some of the processes involve mechanical failure due to particle impact (as in case of abrasive, water...
